This is a four-week hybrid program designed to equip i-SEA Fellows with the knowledge and skill sets for responsible content creation, while fostering a regional network of content creators committed to integrity and positive social impact.

i-SEA involves online masterclasses for the first three weeks on the following days:

- Friday (5.00pm to 7.00pm - 13 November)
- Tuesdays (5.00 pm to 7:00 pm - 17 & 24 November)
- Thursdays (5.00 pm to 7:00 pm - 19 & 26 November)

The final week of the fellowship will take place in Singapore from 6 to 13 December 2026, featuring industry visits and an in-person hackathon. Each selected fellow will receive a S$500 stipend to cover expenses during the programme, and accommodation will be arranged for all fellows at Holiday Inn Express Clarke Quay for the duration of their stay. A round-trip airfare to Singapore will be provided for fellows from Southeast Asia (excluding those from Singapore), China, and India. IN-cube will coordinate the fellows' travel arrangements, accommodation, and their programme schedule.
